
Roles & Responsibilities for UV2026 Session Chairs

Timetable for Session Chairs

Date	Responsibilities / Tasks
August 1	Finalize speaker and panelist profiles, including bios, affiliations, profile photos, talk titles, and abstracts.
September 1	Conclude the peer-review process for manuscripts submitted by the official August 1 deadline. Issue official acceptance notifications to authors.
September 5	Submit proposed session agendas to the Program Chairs, including preferred scheduling, speaker order, presentation durations, and total session length.
September 15	Conclude the review process for Program Chair-approved late submissions, if applicable. (Round 1) Review final program arrangements and update session agendas, speaker titles, and abstracts.
September 30	Complete any remaining review updates for approved late submissions, if applicable. (Round 2) Review and update the official Conference Program Book materials.
October 7	Finalize remaining session updates and submit session documentation to the Program Chairs. (Round 3) Compile and submit session proceedings materials, subject to Program Chairs' confirmation.
October 10–11	Conduct technical connectivity tests with session speakers and collect backup presentation videos.
October 17–20	[IEEE UV2026 Conference] Execute the live session, manage Q&A, and ensure adherence to the published schedule.
November 1	Collect post-event revised files and final archive materials from invited speakers and general authors, if required.
November 8	Submit updated session documentation and folders to the Program Chairs. Provide any necessary technical clarifications for the final archive.

Timetable for Program Chairs

Date	Responsibilities / Tasks
August 1	Review and approve the roster of invited speakers to ensure technical alignment with UV2026 themes.
September 1	Distribute technical instructions for preparing camera-ready manuscripts. Issue formal registration reminders to all prospective attendees and authors.
September 5	Collect and synthesize session program proposals from Session Chairs to begin building the master schedule.
September 15	Consolidate session program updates and synthesize the master agenda. Finalize scheduling and time slots with all Session Chairs.
September 25	Commence formal compilation of the official Conference Program Book.
October 1	Update and digitally publish the Conference Program Book on the official website. Compile online meeting instructions and notify all presenters and attendees.
October 10	Update the Conference Program Book on the official website. Compile preliminary Conference Proceedings and generate secure download access for registered participants.
October 10–11	Conduct technical connectivity tests with keynote speakers and collect backup video presentations.
October 17–20	[IEEE UV2026 Conference] Coordinate the Sessions, Keynote Day, and Closing Ceremony of IEEE UV2026.
November 1	Review and verify collected session manuscripts for IEEE formatting and copyright compliance.
November 30	Incorporate post-event updates into the definitive Program Book and Conference Proceedings. Submit the final proceedings package to IEEE for possible archival and inclusion in IEEE Xplore, subject to IEEE scope, formatting, copyright, and quality requirements.

Roles & Responsibilities of Session Chairs

【1】 Session Organization

- ☐ **Prepare** and distribute the session-specific “Call for Papers” poster. *
- ☐ **Prepare and distribute** the “Session Committee & Invited Speakers” poster. *
- ☐ **Invite** authors, session committee members, speakers, and reviewers.
- ☐ **Collect and submit** speaker bios, profile photos, talk titles, and abstracts to the Program Chairs.
- ☐ **Ensure** that authors follow IEEE paper formatting and copyright requirements for camera-ready papers. *
- ☐ **Organize** paper reviews through the online review system. *
- ☐ **Submit** the proposed session program and agenda to the Program Chairs.
- ☐ **Remind** speakers and authors to register early to receive the early-bird rate.

** [To be completed together with Session Assistants]*

Roles & Responsibilities of Session Chairs

【2】 Online/Hybrid Session Preparation

- ❑ **Keep** Program Chairs updated on session progress and any program changes.
- ❑ **Notify** speakers about their assigned time slots and confirm their availability. *
- ❑ **Ensure** stable connections for remote presenters and stable performance of on-site audio/video systems. *
- ❑ **Collect** backup presentation videos, in case a presenter **does not show up**, record the no-show in the Session Report Form and do not move to the next scheduled presentation. *
- ❑ **Prepare** roundtable discussion topics. *

** [To be completed together with Session Assistants]*

Roles & Responsibilities of Session Chairs

【3】 Hosting Online/Onsite Session Presentation

- ☐ **Announce** the beginning of session presentation and introduce the session topics.
- ☐ **Present** a brief summary of the session.
- ☐ **Introduce** each speaker and presentation title.
- ☐ **Host** each presentation.
- ☐ If a presenter **does not show up**, play backup video and do not move to the next scheduled presentation.
- ☐ **Maintain** the pre-announced presentation schedule.
- ☐ **Host** the Q&A discussion.
- ☐ **Provide** session closing remarks to thank speakers and attendees.
- ☐ **Present** session highlight on the UV2026 closing remarks on Oct.20.
- ☐ **Submit** the session report to program chair.

Roles & Responsibilities for UV2026 Session Assistants

Roles & Responsibilities of Session Assistants

【1】 Session Organization

- ❑ **Design and update** session posters using the UV2026 poster template.
- ❑ **Update** session posters with bios and profile photos of session committee members and invited speakers.
- ❑ **Monitor** paper submission status and **report** updates to Session Chairs.
 - ❖ **Report** duplicate submissions and technical issues to the IT Team and Program Committee.
- ❑ **Provide** technical support for the online review system for Session Chairs and reviewers.
- ❑ **Assist** authors in preparing camera-ready papers that meet IEEE formatting and copyright requirements.
- ❑ **Assist** with UV2026 registration and payment questions for session speakers, and presenters, when needed.
- ❑ **Collect** backup presentation videos and related session materials.

【2】 Assistant for Session Preparation

- ❑ **Assist** Session Chairs in notifying speakers about assigned time slots and confirming availability.
- ❑ **Test and support** stable connections for remote presenters and stable performance of on-site audio/video systems.
- ❑ **Collect speakers' materials** for Session Chairs in presentation order, including bios, profile photos, presentation files, and backup videos.
- ❑ **Provide technical support** to Session Chairs and speakers before and during the session.
- ❑ **Keep backup files** organized and accessible in case of technical issues during the live session.

Roles & Responsibilities of Session Assistants

【3】 Assist for Hosting Session Presentation

- ☐ **Assist** Session Chair in starting the session on time.
- ☐ **Monitor** the online/onsite meeting room and provide real-time technical support.
- ☐ **Help** speakers manage slides, screen sharing, audio, video, and backup files.
- ☐ **Track** session timing and remind Session Chair when needed.
- ☐ **Assist** with no-show situations and play backup video.
- ☐ **Monitor** audience questions and support Q&A management.
- ☐ **Record** attendance, no-shows, technical issues, and key session notes.
- ☐ **Help** Session Chairs close the session and organize post-session materials.

【4】 Responsibilities After the Session Closing

- ❑ **Collect and Organize** final presentation files, backup videos, session presentation videos and session materials.
- ❑ **Assist** Session Chair in completing the Session Report.
- ❑ **Follow** up with authors or speakers to obtain final manuscripts meeting all of requirements.
 - ❖ **Check** whether all final manuscripts meet IEEE formatting, copyright, and camera-ready requirements.
 - ❖ **Ensure** that authors respond to reviewers' comments, make required revisions, and submit corrected manuscripts before the final deadline.
- ❑ **Organize** accepted papers and session documents into final proceedings package.
- ❑ **Submit** finalized session materials to Publication Chairs.
- ❑ **Maintain** a clear archive for post-conference records and proceedings preparation.

Registration Fee

IEEE UV2026	Conference Registration Fee for Authors and Presenters		Paper Publication Fee for Authors (<i>N = Number of Accepted Papers</i>)	Conference Registration Fee for Attendee Only	
	Early Bird Rate [Before Sept.1]	Standard Rate [After Sept.1]		Whole Session Pass	One Day Pass
Non-IEEE members	\$695	\$795	+ \$150 * N	\$400	\$200
IEEE/UV members	\$595	\$695	+ \$150 * N	\$400	\$200
IEEE ITSS members	\$545	\$645	+ \$150 * N	\$400	\$200
Non-IEEE Student members	\$395	\$445	+ \$150 * N	\$275	\$100
IEEE/UV Student members	\$325	\$375	+ \$150 * N	\$275	\$100
K-12	\$195	\$245	+ \$150 * N	\$175	\$100

*All fees are in USD and subject to confirmation on the official UV2026 registration page.
