

IEEE UV2026 Paper Review Instructions on EasyChair

- Reviewer Guide

Outline

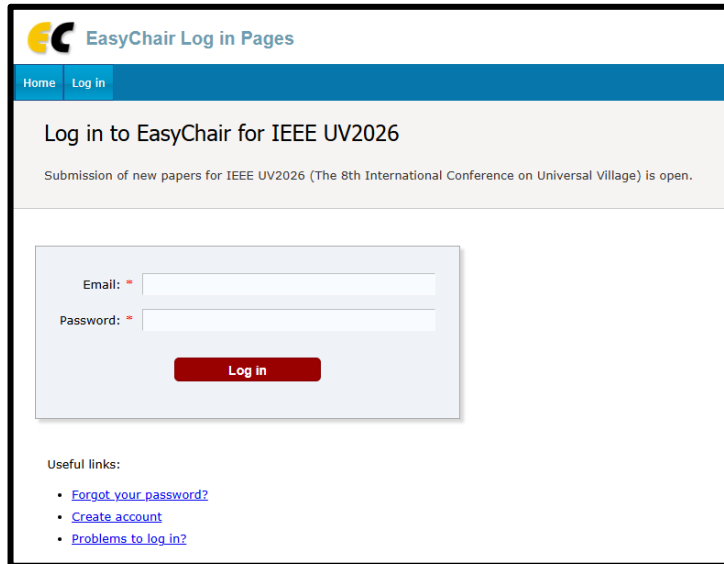

1. Create an EasyChair Account [\[Slide 3\]](#)
2. Access Assigned Papers and Submit Reviews [\[Slide 11\]](#)
 - 1) Method 1: Review with Your Own EasyChair Account (**recommended**) [\[Slide 12\]](#)
 - 2) Method 2: Offline Review Form [\[Slide 21\]](#)
3. Check or Edit a Submitted Review [\[Slide 22\]](#)

1. Create an EasyChair Account-1

a) Go to the EasyChair login page:

- EasyChair: [Log in](https://easychair.org/conferences/?conf=ieeeuv2026) (https://easychair.org/conferences/?conf=ieeeuv2026)

b) Click “**Create account**” to start the registration process.

The screenshot shows the EasyChair login page for IEEE UV2026. The page has a blue header with the EasyChair logo and the text "EasyChair Log in Pages". Below the header, there are two tabs: "Home" and "Log in". The main content area has a light gray background and contains the text "Log in to EasyChair for IEEE UV2026" and "Submission of new papers for IEEE UV2026 (The 8th International Conference on Universal Village) is open." Below this, there is a login form with two input fields: "Email: *" and "Password: *". A red "Log in" button is positioned below the password field. At the bottom of the page, there is a section titled "Useful links:" with three links: "Forgot your password?", "Create account", and "Problems to log in?".

1. Create an EasyChair Account-2

c) Complete the **human verification** (reCAPTCHA) as required.

[Home](#) [Log in](#)

Create Account

To use EasyChair, you must agree to our [Terms of Service](#).

You may also be interested about [our policy for using personal information](#).

To create an EasyChair account, you should fill out the following form.

We will email you a code that you will have to enter to activate your account.

The code will be valid for 120 minutes.

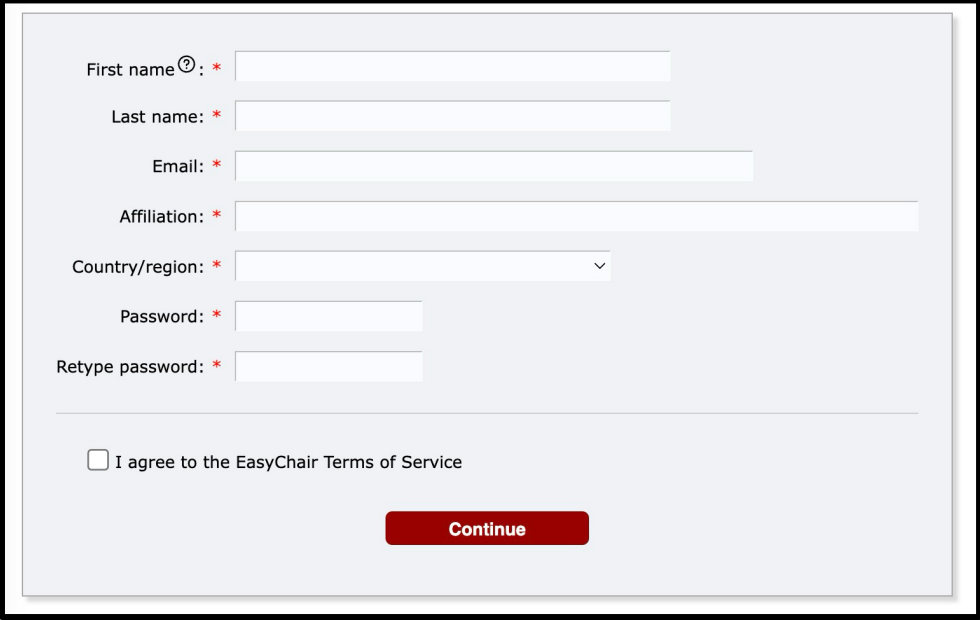

You have to make sure that your mailer does not reject emails from the domain easychair.org.

☒ I am human

Retype password: *

☐ I agree to the EasyChair Terms of Service

Continue

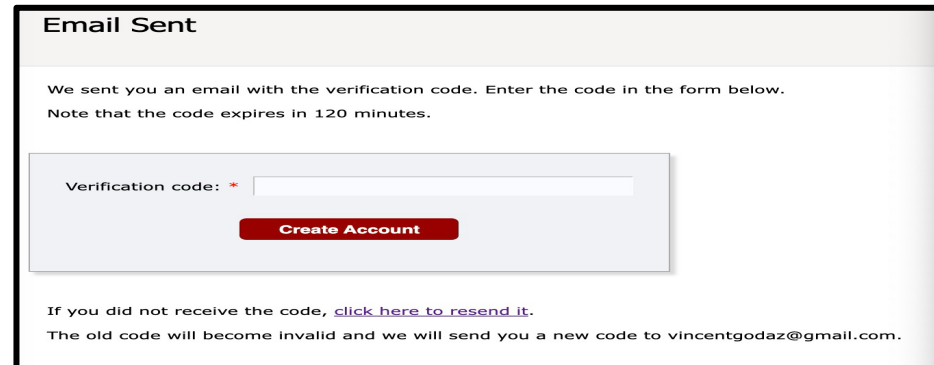

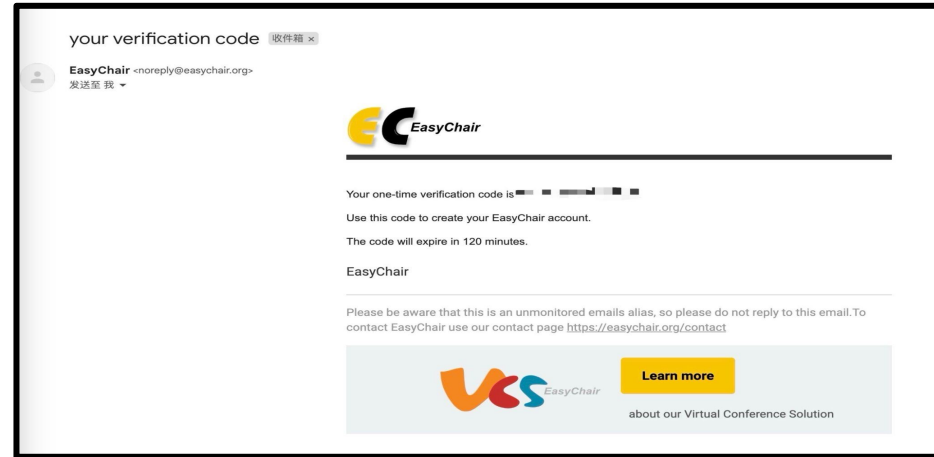

1. Create an EasyChair Account-4

e) After submitting the form, a confirmation message will be displayed, indicating that a verification email has been sent to your registered email address.

f) Check your email inbox for a verification message from EasyChair.

g) Enter the verification code provided in the email.

h) Click “**Create account**” to finalize your registration.

1. Create an EasyChair Account-5

i) Click the “**Click here to log in**” link to access the EasyChair login page.

2. Review Papers as a Reviewer

Reviewers may access assigned papers and submit reviews through one of the following methods:

- 1) **Method 1:** Use your own EasyChair account (**recommended**)
- 2) **Method 2:** Use a chair-assisted review workflow, only if arranged by your session chair
- 3) **Method 3:** Use an offline review form if you have difficulty using EasyChair

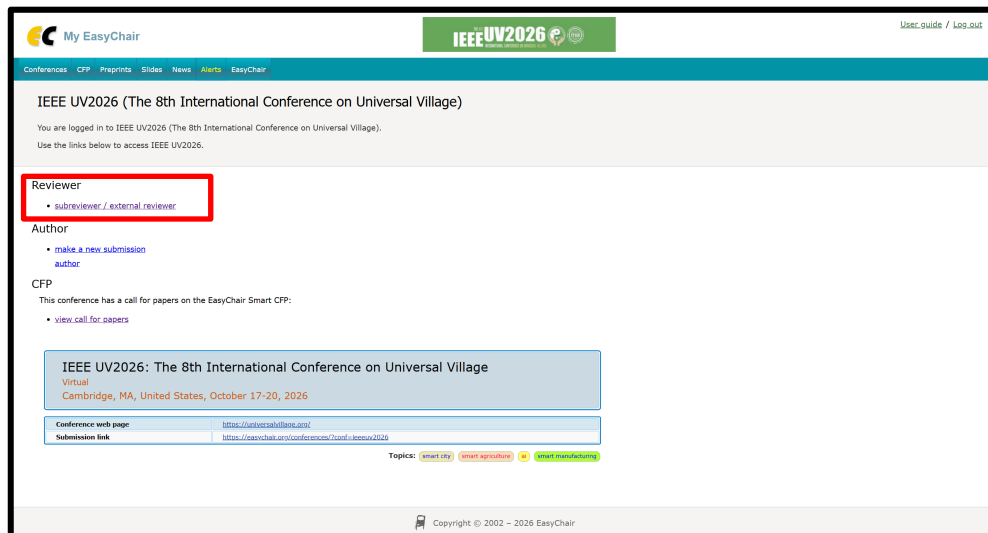

2.1 Method 1: Use Your Own EasyChair Account-1

* Please create your personal EasyChair account first. Then contact your session chair so that the assigned paper(s) can be assigned to your EasyChair account. Once the assignment has been completed, please follow the steps below to review the paper(s).

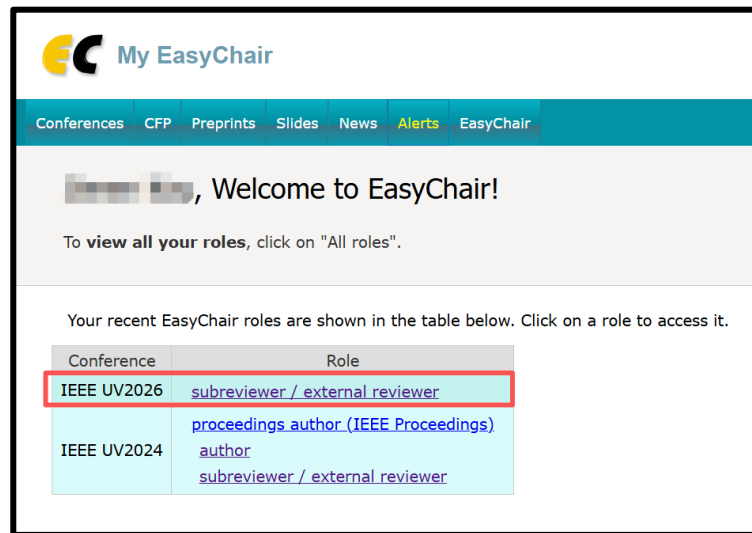

2.1 Method 1: Use Your Own EasyChair Account-2

a) After logging in, you will see the EasyChair reviewer interface shown below. Click “Subreviewer” to access your assigned review request(s).

If the “Subreviewer” role does not appear, please contact your session chair or the UV2026 Organizing Committee at uv.conf.committee@universal-village.org for assistance.

The screenshot shows the IEEE UV2026 EasyChair interface. The top navigation bar includes links for Conferences, CFP, Preprints, Slides, News, Alerts, and EasyChair. The main content area is titled "IEEE UV2026 (The 8th International Conference on Universal Village)". Below this, there is a section for "Reviewer" with a red box highlighting the link "subreviewer / external reviewer". Other sections include "Author" with a link "make a new submission author", "CFP" with a link "view call for papers", and a box for "IEEE UV2026: The 8th International Conference on Universal Village" with details about the virtual event in Cambridge, MA, from October 17-20, 2026. At the bottom, there are links for the conference web page and submission link, along with topic tags for smart city, smart agriculture, and smart manufacturing.

The screenshot shows the IEEE UV2026 EasyChair user interface. The top navigation bar includes links for Conferences, CFP, Preprints, Slides, News, Alerts, and EasyChair. The main content area is titled "Welcome to EasyChair!". Below this, there is a message "To view all your roles, click on 'All roles'". A section titled "Your recent EasyChair roles are shown in the table below. Click on a role to access it." contains a table with the following data:

Conference	Role
IEEE UV2026	subreviewer / external reviewer
IEEE UV2024	proceedings author (IEEE Proceedings) author
IEEE UV2024	subreviewer / external reviewer

2.1 Method 1: Use Your Own EasyChair Account-3

b) Click the view icon  to open the assigned review request.

Review requests Help Conference News Alerts EasyChair

Answer Review Request

To answer the review request you should choose the appropriate action and edit a message to Sessiononea Chair. The message will be sent by email to Sessiononea Chair with a copy to you. Only Sessiononea Chair and you will have access to the text of the message. If you choose not to send the message, Sessiononea Chair will receive a notification about your decision.

You can choose one of the following actions.

Agree to review
In this case you should select "I agree". The message is optional.

Not agree to review
In this case you should select "I do not agree". The message is optional, however, you may think of suggesting names of other potential reviewers.
Postpone your decision
Select "I will decide later". The message is then required. You can, for example, ask Sessiononea Chair for further information in the message.

Review Request

Sessiononea Chair <UV.session1A.chair@gmail.com> requested you to review the following submission for IEEE UV2026. You have accepted this request previously.

There are two ways to submit a review:

1. Press "Submit Review" below to submit your review. This way is easier and generally preferred.
2. Use "Download review form" in the upper right corner. It will give you a review form that you can fill out and email to the pc member who sent the request to you. Note that each review form is individual and cannot be reused for another review. This way is not recommended and error-prone. If you decide to use this way, download the review form, fill it out and [send it by email to Sessiononea Chair](#) <UV.session1A.chair@gmail.com>.

2.1 Method 1: Use Your Own EasyChair Account-8

g) Evaluate the paper and provide your comments.

- Please evaluate the paper according to the review criteria shown in EasyChair, such as relevance, originality, technical quality, clarity, significance, and overall recommendation.
- Please provide constructive comments that can help the author(s) improve the paper.
- After completing the form, click “**Submit Review**” to submit your review.

Section I. General Information

Technical Soundness. On a scale of 1 to 5, how would you rate the technical correctness and the technical soundness of the manuscript (considering its submission category)? Please explain your answer.

☐ 5: excellent

☐ 4: good

☐ 3: fair

☐ 2: poor

☐ 1: very poor

Originality and Novelty. On a scale of 1 to 5, how would you rate the originality and novelty of this manuscript? Please explain your answer.

☐ 5: excellent

☐ 4: good

☐ 3: fair

☐ 2: poor

☐ 1: very poor

Significance of Results. On a scale of 1 to 5, how would you rate the significance of the results of this manuscript? Please explain your answer.

☐ 5: excellent

☐ 4: good

☐ 3: fair

☐ 2: poor

☐ 1: very poor

Red arrows in the image point to the rating scale (labeled "requirements") and the comment box (labeled "your review").

2.1 Method 1: Use Your Own EasyChair Account-9

h) Your review has been successfully submitted.

The screenshot shows the EasyChair interface for IEEE UV2026. At the top, there's a navigation bar with 'Review requests', 'Help', 'Conference', 'News', and 'EasyChair'. The main header displays 'IEEE UV2026 (subreviewer)' and 'IEEE UV2026' with logos. A 'User guide / Log out' link is in the top right. The page title is 'Review for Submission 1113'. A red-bordered box contains the message 'The review has been added!'. Below this, a paragraph states: 'This submission has been added to your watchlist. This means that you will receive by email all reviews and comments about this submission. [Click here to view or edit your watchlist.](#)'

2.2 Method 2: Offline Review Form

- If you are unable to use EasyChair, please contact your session chair or the UV2026 Organizing Committee at uv.conf.committee@universal-village.org. We will send the assigned paper and an offline review form to you by email.
- After completing the form, please return the completed review form to your session chair or to uv.conf.committee@universal-village.org.

3. Check or Edit a Submitted Review-1

a) Log in to EasyChair using the account you used to submit the review.

*If your review was submitted through the offline review form, please contact your session chair or the UV2026 Organizing Committee if you need to make changes.

The screenshot shows the EasyChair login page. At the top, there is a header with the EasyChair logo (a yellow 'E' and a black 'C') and the text 'EasyChair Log in Pages'. Below the header is a navigation bar with 'Home' and 'Log in' links. The main content area is titled 'Log in to EasyChair'. It contains a login form with two input fields: 'Email address or user name: *' and 'Password: *'. Below these fields is a red 'Log in' button. At the bottom of the page, there is a section titled 'Useful links:' with three links: 'Forgot your password?', 'Create account', and 'Problems to log in?'.

3. Check or Edit a Submitted Review-2

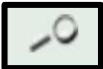

b) If you submitted the review through your own EasyChair account, click **“Subreviewer”** to access your review page.

The screenshot shows the 'My EasyChair' dashboard. At the top is a navigation bar with links: Conferences, CFP, Preprints, Slides, News, Alerts, and EasyChair. Below the navigation bar, a welcome message reads: 'Welcome to EasyChair!'. A note states: 'To view all your roles, click on "All roles".'. Below this, a message says: 'Your recent EasyChair roles are shown in the table below. Click on a role to access it.'. A table with two columns, 'Conference' and 'Role', lists the user's roles. The first row for 'IEEE UV2026' is highlighted with a red border, showing the role 'subreviewer / external reviewer'. The second row for 'IEEE UV2024' shows the roles 'proceedings author (IEEE Proceedings)', 'author', and 'subreviewer / external reviewer'.

Conference	Role
IEEE UV2026	subreviewer / external reviewer
IEEE UV2024	proceedings author (IEEE Proceedings) author subreviewer / external reviewer

3. Check or Edit a Submitted Review-3

c) Find the relevant paper and click the view icon  to open the submitted review.
